

FAIRWAY FARMS SWIM & TENNIS CLUB

Glassware & Dishware Policy

No member/guest will be allowed to exit the clubhouse into the FFSC grounds with exposed glassware. All glassware must be in coolers to gain access to property surrounding the pool grounds.

If at any time a member/guest has exposed glass on the surrounding pool property they will be politely asked to put the glassware into a cooler.

If a second request is required it will be followed up with a warning that this will be the final request to secure the glassware in a cooler and in failure to do so the member/guest shall be asked to leave the club immediately. At this time the pool manager on duty and a member of the Fairway Board of Directors shall be made aware of the situation.

If after the second request the member/guest does not secure the glassware into a cooler that member/guest will be asked to leave the club immediately by the manager on duty or a member of the Fairway Farms Board of Directors and their club privileges will be revoked for the remainder of that day.
